

MEMORANDUM FOR RECORD.

SUBJECT: Telephone call from Miss Foley - Mr. Forrestal's Office - re  
status of application of [ ]

11:55 AM - 27 August 47

STAT Miss Foley from Mr. Forrestal's office telephoned stating that she was checking for the Secretary on the status of application of [ ] The latter had stated that on May 14, 1947 he had been offered a job as Field Auditor - he understood that it would take two or three months for the necessary clearance. He was wondering at this date if he should seek employment somewhere else. Miss Foley wanted the information promptly so that the inquirer (presumably calling on the Secretary) could be given the information prior to his departure.

Following information obtained from [ ]

1. On May 14 applicant was written letter stating that he was being considered for a job as Field Auditor, CAF-11, pending review and approval by the Budget Review Committee which would probably take 8 weeks, etc.

2. On August 15 he was sent another letter stating that because of organizational changes there was no vacancy where his services could be utilized.

(This letter was written subsequent to information furnished Personnel by Mr. Kelly (Services) that the position for which [ ] was being considered no longer existed.)

STAT Miss Foley was given the information in 1 and 2 above and it was emphasized that no definite commitment had ever been made to [ ] - that the job for which he was being considered had not been approved by the Budget Committee and consequently not set up.

STAT It was added that this was sketchy information obtained by phone from our Personnel people who are located in another building. If any additional information were desired, to let us know and a detail review of his case would be made.

STAT [ ] was informed - and arrangements were made to have his personnel folder sent to [ ] who would review it so that information would be readily available in the event of further inquiry.
